Product Description

TVS ROCKZ 125 Scooter Plastic Parts

Products Description

TVS ROCKZ 125 Scooter Plastic Parts are premium-quality replacement components designed specifically for the TVS ROCKZ 125 scooter. These parts are made from durable, high-strength plastic, ensuring excellent resistance to impact, wear, and weather conditions. They are engineered to meet OEM standards, providing a perfect fit for seamless installation. Whether you're replacing damaged body panels or upgrading your scooter, these parts help maintain both the appearance and performance of your vehicle.

Applications: These plastic parts are ideal for use in the TVS ROCKZ 125 scooter, including body panels, trims, and covers. They are perfect for repairs or replacements, ensuring your scooter remains in optimal condition, both visually and functionally, while offering long-lasting durability and protection from the elements.

TVS ROCKZ 125 Plastic Parts

Deck:

The platform where the rider stands is often made from durable plastic to reduce weight while maintaining strength.

Fenders:

Protects the rider from splashes and debris. They can be located above the wheels and are usually made from impact-resistant plastic.

Covers and Fairings:

These parts cover the internal mechanisms and improve aerodynamics. They also add aesthetic value.

Handlebar Grips:

Often made from rubber or plastic materials, providing comfort and grip for the rider.

Wheel Hubs:

The center part of the wheel, which can be made from plastic or composite materials to reduce weight.

Brake Components:

Certain scooters feature plastic parts in their brake systems, like brake levers or guards.

Battery Covers:

For electric scooters, battery compartments are often covered with plastic to protect the electronics.
